

PUMA ULTRA & XLE LITE

BY PALOMINO – SINCE 1968

GREAT TIMES COME IN SMALL PACKAGES

Pack-up for a quick weekend getaway, or a trip to your favorite vacation spot. Wake up to an amazing view in the **16 BHx** – there's large front and side windows. Stow away extra gear and supplies in handy overhead cabinets and under bed storage. Preparing a quick meal is a breeze with generous, long-lasting, stain and abrasion resistant surf(x)[®] 3D, one-piece, seamless countertops. This galley includes a single bowl sink with high-rise faucet, a stainless steel 11 cu. ft., 12V residential refrigerator and a two-burner gas cook top. Easy to clean Beauflor[®] flooring maintains its like new appearance.

PUMA **ULTRA**
LITE
TRAVEL TRAILERS & TOY HAULERS

Puma's Ultra Lite single axle, 7' wide models come standard with large front windows. These lighter weight, eco-friendly models offer great fuel efficiency, and can be towed by crossover vehicles and smaller SUVs.

Smooth, aerodynamic radius front with diamond plate, and two-tone exterior metal add curb appeal. Front windshield shown.

PUMA XLE LITE

TRAVEL TRAILERS

LIGHT WEIGHT CONSTRUCTION

Construction features include solid I-beam frames, strong, resilient Araucopy flooring underlayment, and AlphaPly roofing membrane. Smaller slide models offer the Schwintek slide system, while larger models use the rack and pinion slide system. Both of these reliable systems have manual override and provide superior sealing.

Start your camping adventures right with a Puma XLE Lite! **30DBSC** is a family friendly bunkhouse that sleeps up to ten, with LED lighting, convenient USB charging ports, a large pantry and contemporary black hardware throughout.

smart phone to learn
more about Forest River.

A Berkshire Hathaway company.

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

**Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc. reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
